PRELIMINARY AMENDMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Prior to initiating the Examination of the above-described continuation application, Applicants herewith submit the following Preliminary Amendment.

IN THE CLAIMS

[Please cancel claim 1 and add the following claim:]

- 1 2. A method of controlling the transmission of data or control signals by a
2 broadcast or cablecast transmission station, said transmission station comprising at least
3 one signal generator for embedding a unit of data in an information transmission; at
4 least one transmitter for transmitting a broadcast or cablecast information transmission;
5 and at least one processor, controller, or computer for controlling the communication of
6 information to or the embedding of information at said signal generator, said method
7 comprising the steps of:
